Claimant Transfer

This Right of Transfer is made on [Add todays date]

If you sign this document you are agreeing that in certain circumstances your claim may be transferred to a new law firm arranged by Arto Private Securities S.a.r.l. This transfer would only be carried out if your law firm cannot properly continue with your case and would transfer to a firm who is able to do so. Any new firm would be fully regulated and able to carry out the work in your interest. This is done to allow your solicitor to borrow monies which are used to allow them to handle your claim. It is important that you understand that this does not impact your claim and no sums could be deducted from any damages you receive. If you are not clear about this or do not wish to allow this you must seek independent legal advice.
